

Engage a Student.
Inspire a Career.

On-Ramps to Careers **TECHNOLOGY INTERNSHIPS**

HELP SHAPE THE NEXT
GENERATION OF LEADERS IN
STEM CAREERS!

HOST AN INTERN!

How does it work?

1,000 Internships
in 10 years

Over 40
Employer Partners

Empowering
DC's Youth for
STEM Careers

- Host intern(s) in summer or year-round at **no cost**.
- Identify a supervisor and draft a **job description**.
- Let **On-Ramps** recruit **skilled & motivated interns** to interview.
- If you choose, the city serves as employer of record and **covers wages**.
- **On-Ramps** supports you and coaches interns throughout.
- Go to our [website](#) for more info!

"On-Ramps provided us outstanding young adults who were intelligent, proactive, highly motivated and well prepared."
Operations Director, Enlightened Inc.

"Our interns were thorough and professional. Terrific to work with."
Dept. Director, Cisco Systems
